

District Goals
2015-2016

1. Annually every child will experience at least a year's worth of growth in every subject with every teacher.
2. All students will be college/career ready by the time they graduate.
3. Monitoring will take place through walkthroughs, effective feedback, core team sheets and lesson plans.
4. Our district will focus on differentiation and will participate in UDL training.
5. Our district will focus on alignment during the 2015-2016 school year.
6. Increase effective and transformative use of technology during the 2015-2016 school year.
7. Our district will participate in a book study "Leader In Me."
